

Aid for Prioritizing

© 2009 The TEAM Approach

Step #3

List final order

Step #1

List items to be prioritized in numbered boxes
Select between two items in each box by
circling the more important item.

When totals are tied,
return to the choice box for priority.

16	15	14	13	12	11	10	9	8	7	6	5	4	3	2	1

Item number
Add **all** times circled
Determine final rank

Step #2
